PURPOSE

The purpose of this information bulletin is to advise the Los Angeles Workforce Development System (WDS) that LA's BEST, an afterschool program providing homework assistance enrichment and recreational activities to children on elementary school campuses throughout the Los Angeles Unified School District, is hiring program staff across Los Angeles.

BACKGROUND

Founded in 1988, the mission of LA's BEST is to provide a safe and supervised afterschool education, enrichment, and recreation program for children ages 5 to 12 in Los Angeles. LA's BEST believes that all children, no matter their circumstances, should be safe after school; therefore, the program provides afterschool homework assistance, enrichment, and recreational activities to children on elementary school campuses throughout the Los Angeles Unified School District. LA's BEST Afterschool Enrichment Program plays a vital role in the lives of more than 25,000 unique and talented elementary school students who come from neighborhoods with the fewest resources and the greatest needs. The program engages children creatively, emotionally, intellectually, and physically, empowering them to explore and discover the opportunities in their lives.

LA's BEST is seeking dynamic and creative individuals with a passion for making a difference in the lives of children and who are committed to becoming a transformational mentor for the growth of the students.

LA's BEST is hiring across Los Angeles including:

- Central Region (Van Nuys, North Hollywood, Los Feliz)
- North Region (San Fernando Valley, Pacoima, Sylmar, Northridge, Canoga Park)

This WIOA Title I financially assisted program or activity is an equal opportunity employer/program.
