

# New Account Registration

2-18-2022

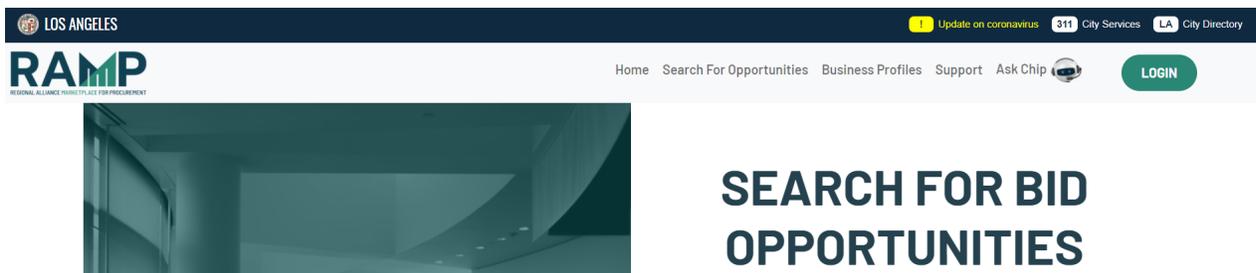

The Regional Alliance Marketplace for Procurement (RAMP) is a free service provided by the City of Los Angeles as a replacement for the previous Los Angeles Business Assistance Virtual Network (LABAVN).

Registering on RAMP allows you to view and download information about all contractual opportunities offered by the City of Los Angeles in one convenient location as well as find up-to-date certified subcontractors to complement your project bid. Our goal is to have your business grow in the City of Los Angeles.

If you had registered for LABAVN previously, your information will be automatically transferred over to RAMP. If you have not registered yet, please follow the steps below to sign up for a free account on RAMP.

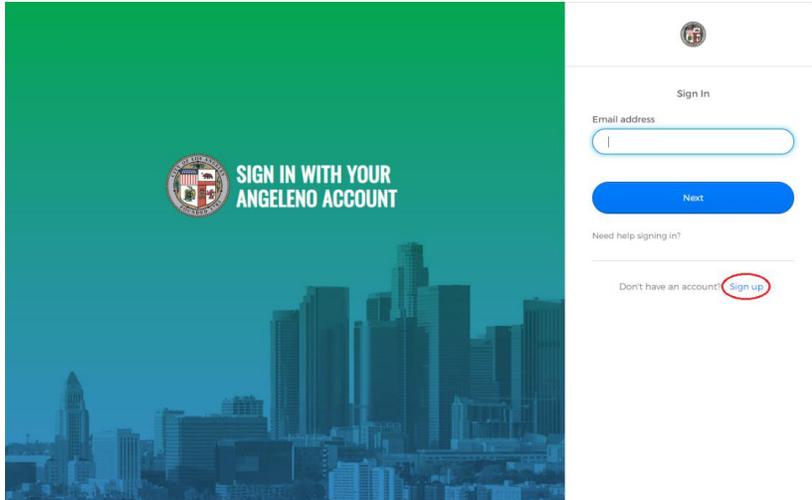

Go to <http://www.rampla.org>

Click on the “Login” link at the top right

## Create an Angeleno Account

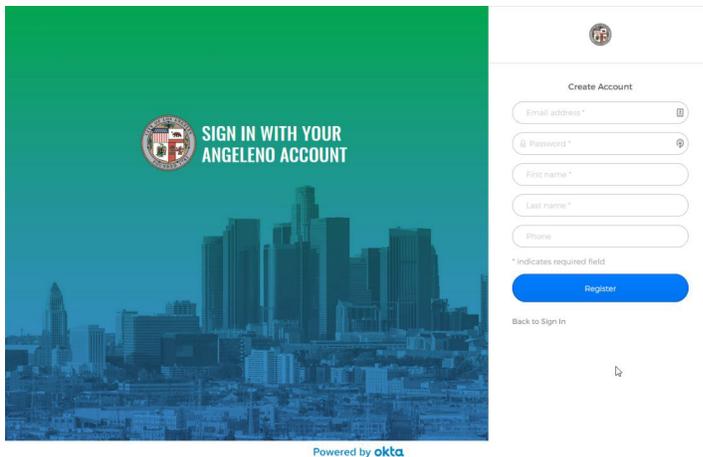

To login to RAMP, you must first create an Angeleno Account if you have not already done so. Click on the “Sign Up” link to start the process:
