

City of LA Regional & Local Plan Community and Stakeholder Forums

Join the City of LA Economic and Workforce Development Department (EWDD) at the upcoming Program Year 25–28 Workforce Innovation and Opportunity Act (WIOA) Regional and Local Planning Community and Stakeholder forums. The Regional Plan is aimed at the development and implementation of decision-making structures that will strengthen workforce activities and performance at the regional level of the 7 Los Angeles Basin Local Boards.

To develop comprehensive plans, we must bring together the ideas of partnerships from regional and local entities in various sectors. EWDD wants to hear from employers, worker representatives, WIOA core partners, and strategic state program partners on how we can improve the workforce development system.
