Regional LA: Rise

REGIONAL LA:RISE is administered by the County of Los Angeles Workforce Development, Aging and Community Services department (County) and the City of Los Angeles. The REGIONAL LA:RISE program is modeled after and is an expansion of the Los Angeles: Regional Initiative for Social Enterprises (LA:RISE) program developed by the City of Los Angeles. The LA:RISE program is an innovative and collaborative partnership that unites the Workforce Development System with non-profit social enterprises and for-profit employers in order to help men and women, 18 years and older with high barriers to employment, attain jobs and stay employed. The LA:RISE model will operate Countywide in designated Los Angeles County Workforce Development Areas by providing transitional employment services and supportive services and career development services to combat homelessness in our region.
